MISSIONARY TO BAGUIO CITY, PHILIPPINES

CFBCPHILIPPINES.ORG/BAGUIO

Dear Brothers and Sister's in Christ,

Thank you so much for your continued prayers and support as we serve as your missionaries in Baguio City, Philippines. We are excited to share some news about ministry.

We recently held our Vacation Bible School, where we teach young kids about the Bible. This year, we had the opportunity to share the gospel with 15 children and 5 adults. Our theme was "BE A LIGHT" to the world.

Although we didn't have a dedicated space for VBS, we found a creative solution by purchasing a collapsible tent and setting it up right in the heart of the neighborhood. This visible setup allowed the community to see where the children were gathering and what they were learning. Even those who weren't directly involved could hear the messages being shared, planting seeds of the gospel of Jesus Christ in the hearts of everyone who listened.

We were also able to hand out snacks each day, and the children went home with their learning materials—each one containing the message of the gospel. None of this would have been possible without the help of the volunteer teachers from our sending church, and your faithful support and prayers. These volunteers needed assistance with transportation, food, and school supplies, and because of your generosity, we were able to provide what was needed. Thank you for being a vital part of what God is doing through this ministry!

As for our youth camp, we were blessed to witness hundreds of young people from across the provinces of Bataan, Zambales, and Benguet come together for a powerful time of fellowship and spiritual growth. We were honored with the opportunity to preach the opening message, focusing on endurance in the Christian life.

The camp was filled with joy, games, and meaningful connections—but more importantly, it became a place of transformation. Not only were new friendships formed, but many lives were changed.

Several young people responded to the gospel, accepting Christ as their personal Lord and Savior. Even more inspiring, a few stepped forward in obedience to God’s calling—committing their lives to become pastors, preachers, and missionaries. As a result, we are anticipating an increase in Bible school enrollment for the 2025-2026 school year. To God be the glory!

As for our mission work in Baguio City, Philippines, we’re excited to share that two of our senior Bible school students will be continuing the ministry there until we return in January 2026. They will be leading Bible studies and distributing gospel tracts on a weekly basis, faithfully carrying on the work God has begun in that city.

Please pray for God’s provision as we commit to supporting them with all their basic needs—including food, transportation, and living expenses. We anticipate needing around \$600 per month to sustain this effort, and we truly covet your prayers in this matter. We don’t see this as a mere expense, but rather as a prudent investment in souls—souls that we believe will be reached, saved, and transformed through the ongoing ministry in Baguio. We will keep you updated on this matter,

We are currently back in USA on furlough for about 6 months but also at the same time, we are praying and trying to raise funds for us to be able to build our own sanctuary in Baguio City, Philippines. Our people are ready to have our own place of worship and have services but with our living situation in Baguio City and having all the residents close to one another, it is hard to find a rental place that will allow us to gather people and have a church service. We are praying for 30 churches and individuals that will give a one time offering of \$2500. We are currently looking at a 2000-square foot property that is close to our people and easily accessible by public transportation. We covet your prayers for this matter as it is high time for us to have our own sanctuary in Baguio City, Philippines.

Again, we thank you for your continued prayers and support. To God be the glory!
