Dear Pastor & Church,

Greetings in the Name of our Lord Jesus Christ! You all are a tremendous blessing to us! Thank you so very much for all your love, prayers and support to our ministry in the Philippines!

By the Lord's grace, we have started a small Christian School in our church, with the mission of reaching our nation for Christ, one child at a time.

We are using a curriculum that is Bible-based, character-building, individualized and mastery of learning (Accelerated Christian Education, from the US).

It has become my prayer and burden, because almost of all of the schools around our community are teaching evolution, humanism, and longer about God.

We started this small Christian School Ministry is a work of faith, by God's grace, as I am not receiving any financial compensation as administrator, for it is our joy to reach the vision of providing Christian Education to our church members and reach our community for Christ.

We started with 8 students for this opening year. 2 of them are pastor's kids, 2 are church workers' kids. We let them study for free, in order to be a blessing to pastors and church workers who cannot afford in sending their children to a good school.

My wife and I, by faith, pulled our savings and support (\$2,500) to finance the school furnishings, equipment, modules and materials. The church gave \$800 which was an additional blessing.

Please help us pray for God's provision for the remaining need of \$1,500 in order for us to pay our remaining balance from our school operations to help our teachers & students.

Thank you so very much for your friendship and partnership in our ministry here in the Philippines. You have a very big part in every soul that we reached for Christ!

We always thank the Lord for you. You just don't know how a great blessing you are to us. Thank you so very much for your friendship and partnership in the ministry. We love you and praying for you all always.

With our love and prayers,

Brother Rodel Domingo
