Dear Brothers and Sisters in Christ,

Merry Christmas and a blessed New Year to each one of you! My heart is truly grateful for all of you, and I pray that your holiday season has been filled with joy, rest, and sweet moments with the people you love. This is such a precious time for our family and our church family as we pause and remember the true reason we celebrate. Long ago, on that holy night, the greatest gift we could ever receive was given to us, **Jesus**. What a wonderful Savior and what an amazing love. Praise the Lord!

VBS September 2025. Thank you so much for faithfully praying for our VBS. The Lord truly answered. We were able to hold it last September 24, and our theme verse was Ephesians 2:8. Throughout the day we shared with the children that salvation is a precious gift from God, not something we can earn by our own efforts, but something we receive by grace through faith alone. It was a joyful, full day overflowing with songs, Bible stories, crafts, games, and gifts. We also enjoyed lunch and snacks together, and the laughter and energy of the children made it extra special. By God's grace, 38 young people and children made the decision to accept Christ as their Savior. Our hearts are full and we give all the glory and praise to Jesus.

FBBC Students' Yearly School Supplies. (\$30 per student) Praise the Lord for His faithful provision once again. This year, we were able to provide a complete set of school supplies, uniforms, bags, and slippers for our deserving and faithful students. What a joy it is to see their smiles and excitement, knowing that God has lovingly met their needs. This is now our 7th year of doing this ministry in our church, and each year is a fresh reminder of God's goodness and of your prayers and support. We are deeply grateful for how the Lord continues to use this simple act to encourage our students to keep studying, keep serving, and keep walking with Him. To God be all the glory!

USA Visit from October 21st to December 9th 2025. I am so grateful to the Lord for the many ways He showed His kindness during my recent trip. I was invited by a dear friend to attend a missions conference in Kentucky, and in such a loving way he even provided my plane ticket. The Lord also used another close friend who graciously lent me his car, and a lady very dear to our hearts made sure I had all the essentials I needed so that I didn't even have to buy them anymore. Wherever I went, aside from my sister, there was always someone ready to open their home, welcome me in, and make sure I was fed and cared for. I truly thank God for these godly people who reflected His love so beautifully. I was in the U.S. for seven weeks and was able to visit some of our supporting churches as well as new ones. I also tried to raise funds for our church van, and although we were not able to reach that goal yet, I kindly ask that you continue to pray with us for this need. Through it all, my heart is full. I had a wonderful time in the U.S., and I especially praise the Lord for our local leader, my wife, and my family who faithfully continued the work while I was away. God has been so good.

I praise the Lord for our faithful local leader, Brother Dany, who continues to go out every day to visit the parents and relatives of our students and lovingly share the Gospel with them. We are also deeply thankful for the spiritual growth we see in our young people. They are stepping up with willing hearts, guiding the younger ones and joyfully helping in church activities and ministries. Please continue to pray with us for the many lost souls here in Cambodia. Reaching the older generation is especially challenging because of culture, tradition, fear of being different, and possible persecution. Yet, by God's grace, we are pouring into the next generation, training these young believers to carry the Great Commission forward, to reach their own people, and even other nations for Christ.

Pray for Cambodia and Thailand. You may have already heard about the recent conflict along the Cambodia–Thailand border. Though the situation has been tense and unresolved, we thank God that both sides have now agreed to a ceasefire. The last exchange of fire happened just one province away from us. By God's grace, things remain calm and normal here in Kampong Chhnang. Our hearts are heavy as we see the fear and sadness among our members while they watch their fellow countrymen suffer, so we are doing our best to encourage and uplift one another. We are reminded that only the Lord Jesus is our true protection. Please continue to pray that this conflict will not escalate further and that peace will be preserved.

FBBC Christmas Sunday 2025. We celebrated Christmas at our church on December 21. It was a joyful and meaningful time as we remembered that on that holy day our Savior was born, bringing us the greatest gift and the hope of eternity. Our Christmas message was entitled **"No More Vacancy."** Luke 2:7. We were reminded of Mary and Joseph searching for a place to stay, only to find that there was no room, except for a humble manger where Jesus was born. Our prayer is that the Lord Jesus will not find our hearts "full" with worldly things and closed to Him, but that He will find room in us. He desires to be part of our lives, may we gladly open our hearts and welcome Him in.

Thank you so much for all your prayers, love, and support to our family and ministry in Cambodia. We are truly grateful for all of you and we appreciate you. We always remember you in our prayers. We love you.

GOD BLESS US ALL!
