First Service | Grace Bible Baptist Mission

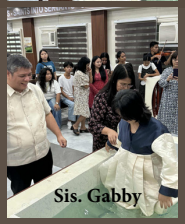
The High Light of July was the FIRST SERVICE of our daughter Church in Cavite, Grace Bible Baptist Mission, led by my son Joshua Hans. I brought 20 of our men and ladies in the church, and we moderated the First Service.
I was a little bit emotional because of my happiness seeing my son being used by God to start a new Church. I am very glad and very proud of him

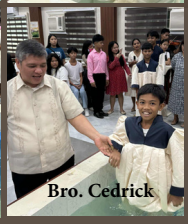
During this month also, we attended a YOUTH RALLY hosted by BAPTIST THEOLOGICAL INSTITUTE. The purpose of this rally is to challenge our young people to consider the Calling of God for them for full time ministry. This rally was very powerful and I thank the Lord because He still call people for full time service I teach Apologetics at BTI every Tuesday. We also did not forget to do Churchwide soul winning as the weather permits us. I am very happy that many of our people are going out knocking on doors and distributing gospel tracts with me. All glory to God!

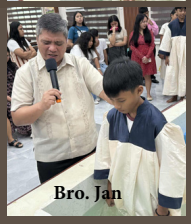
MISSIONS EMPHASIS

Month of August, the rain continues and the flood got worst. But every time there's a calamity the Hand of the Lord is always there to protect us. During this Month we held our Annual MISSIONS EMPHASIS SUNDAY, we invited our Current adopted Missionaries and their families and we Added 4 more.
So in total we are now supporting 15 local Missionaries. On this day We gave them a cash gift, a sack of rice, a box of Bibles and a very sumptuous meal. I also challenge my people to stretch out our faith and give more for missions

During this month we were able to Baptize 8 New Believers. Praise the Lord







On this month also, We held a COUPLES FELLOWSHIP, although it was raining very hard but we felt the warmth and joy of the fellowship.

September & October was a very tumultuous months for our country ... Corruption in the government was exposed that resulted to a lot of protest in the streets plus on this month also country was struck by a series of big earthquake in different places. I just thank our Lord that we can always find help and comfort from Him. Peace comes from knowing that God is on the throne and in control of everything All we need to do is to continue doing the Ministry and entrust everything into the hand of the Lord

The high light of the Month of September. First, during this month our Church hosted the Heartbeat Bataan-wide LADIES FELLOWSHIP. This event was well attended by our fellowshipping churches in the province of Bataan. The attendance was around 150. The fellowship was full fun and this fellowship also serve a a great encouragement specially to all the Pastors wife

During this Month I also had the privilege to Preach for the Church Anniversary of my Pastor Friend in Manila. Our singing group sang there and we enjoyed the warm fellowship of fellow Pastor there. I also had the privilege to preach for the Revival Service of Hillside Bible Baptist Church in Olongapo pastored by Ptr. JB Tarwater.

Last October 5 we hosted the Bataan wide Pastors and workers fellowship. It was well attended by more than 120 Pastors and Workers. And the national director of BEAMS MINISTRY Dr. Lockard graced the event and distributed more than 1500 pieces of hardbound Bibles to the Pastors. We also enjoyed a great message from Pastor JB Tarwater a dear friend who is Pastoring Hillside Bible Baptist Church in Olongapo city.

Before the month end ... we joined in the 3 days youth camp of Subic Bay Baptist Church in Olongapo city. The theme of this camp was " The Right Algorithm" the Lectures in this camp was very enlightening and the messages very powerful Our 22 campers went back home with renewed spirit and we thank the Lord for that.

On October 26 the Church celebrated my birthday and Pastors appreciation day. Our people here never failed to express their love and appreciation to me as their Pastor. They presented a beautiful plaque of appreciation for me and of course every group from men's to ladies young people even the children's group presented a gift for me that's the blessing of being a Pastor.

PRAYER REQUEST

Pastor, with what's happening in our ministry right now, it's becoming clear that we need another vehicle to serve our brethren. Because of this, I am asking for your prayers and, if possible, your financial help so that we can purchase another service vehicle. We need $15,000 to meet this need. May I kindly ask you to consider helping us with this?

Again, we would like to thank you Pastor, for partnering with us in our ministry. We were able to do what we are doing because of your support. We will always be grateful to you and your church.
