

REACHING FOR CHRIST

January 2026

Dear Partners in the Ministry,

Greetings from the Landingin family and from the mission field of Cambodia.

Please allow us to give our sincere appreciation to all who are faithfully praying for us and generously giving for the mission work in Cambodia.

LOOKING BACK WITH PRAISE; we are praising God and rejoicing for the year of 2025 because of all the souls we had won for Christ, for all the blessing He bestowed upon us, for all the answered prayers, for all the opportunities to serve God and to serve many people, for all the fruits from all our labors and for all the struggles and challenges, all we can say is, God is always good and faithful!

One of the highlights of our ministry before the year 2025 ends was our first **Operation Christmas Gift Giving 2025**.

We showered this event with many months of prayer, and our goal was to reach 1200 individuals.

By the grace of God on December 19 to 30, after we visited nine different locations, we have reached 712 children and 292 adults with a total of 1,004 people through our Operation Christmas Gift Giving 2025.

About 90% of this attendance heard a clear presentation of the gospel and 90% of this attendance made their public profession of faith, God knows those who truly and genuinely received Christ as their savior and as we planted the seed of the word of God in their hearts, let us pray together for a great harvest in the right season to come.

Thank you for all who gave and helped us for the Operation Christmas Gift Giving 2025. It is our desire to do it again this coming December 2026.

MOVING FORWARD BY FAITH; last November 2025, we started the construction of the perimeter wall for our fourth church plant in Prosar Village. Praise God because after two months of laboring, the wall was completed.

We are now in full swing of the construction of the church building project for Grace Baptist Church Prosar Village. Help us to pray, our goal is to see this church building being completed at the middle of this year.
