

Ministry Progress Report  
Discipleship Bible Baptist Church

Months of: October & November 2025

"The harvest truly is plenteous, but the labourers are few;" — Matthew 9:37

Greetings in the precious name of our Lord and Savior, Jesus Christ! We are filled with gratitude as we share the wonderful things God has accomplished through the ministry over the past two months.

#### I. A Great Harvest of Souls

The Lord has been faithful in opening hearts to the Gospel. Through the diligent efforts of our members, we have seen a remarkable response to the Word:

- Soulwinning: A total of 435 souls were won for Christ during October and November.
- Mission Work: Our mission outreach in San Miguel, Bulacan, continues to thrive, with 77 souls coming to know the Lord.
- Baptisms: We praise God for the consistent baptisms held every Sunday, symbolizing the public testimony of new believers.

#### II. Strengthening the Fold (Discipleship)

Growth is not just about numbers, but about deep-rooted faith.

- Home Bible Studies: We currently have 52 active home Bible studies. We are especially moved by our newly added members who have stepped forward to open their homes for the Word of God.
- Next Generation: We conducted 15 Good News classes for children, aiming to reach the hearts of the youth in our surrounding communities.
- Specialized Fellowships: To better cater to the spiritual needs of our congregation, we have launched Group Fellowships for our Youth, Ambassadors, and Adults.

#### III. Answered Prayer: Church Vehicle

God also answered our prayers by providing a Church Vehicle, which is already being used to bring visitors to the house of God and support our mission work in Bulacan. Your heart for the ministry makes this work possible.

#### IV. Prayer Requests

We humbly ask for your continued prayers for:

- Spiritual Maturity: That our newly baptized members will grow deep in their faith and find their place in the ministry.
- New Doors: That God would open more Bible study areas in neighboring communities.
- Wisdom: For our leaders as they shepherd the various fellowship groups.

Thank you for your unwavering prayers and partnership in the Gospel. We continue to pray for you as we labor together for His glory.

In Christ,

Ptr. Herson P. Villafuerte & the DBBC Family
