October 6, 2025

Dear Pastor & Church,

Greetings in our Lord Jesus Christ's Name! Your friendship and partnership in the ministry has been a tremendous blessing as we serve the Lord!

By the grace of God we were able to reach out students with the Gospel, and have distributed Bibles through our Campus Ministry. We are praying for God's provision to purchase more Bibles so that we can reach more students. Praise the Lord for the souls that received Christ as their Lord and Savior!

We are so thankful to the Lord for the start of our Education Ministry, with the mission: to reach one child at a time with a Bible-based curriculum (Accelerated Christian Education), character-building program, and individualized and mastery learning approach. 5 of them are pastor's and church worker's kids where they study for free. The Lord placed this ministry in our hearts to minister to God's workers who cannot afford quality Christian education. We are praying for partners who can sponsor one of these students to help us pay our teachers and other school expenses. Seeing the students grow in their faith in the Lord is truly worth it! Praise the Lord!

The Lord is so good as He opens doors for our members to undergo Discipleship Training in preparation for our House to House Ministry. The trained leaders are assigned to groups of members living in the same community where they open their house for Bible Study, Evangelism and Fellowship. We praise God, because the members saw the God's will and the need to open their homes for fellow believers and unsaved friends and relatives. It is a joy to see our brethren from house to house, praising God and having favor with the people.

The Lord is blessing with our Children's Outreach Ministry, with our young people surrendering their lives to the Lord in reaching and teaching the children with the Word of God. We are praying for God's provision to conduct a Gift Giving Event this December, where we can give to at least 500 – 700 children (\$2 toy per child) in our ministry.

It is a joy to see our young people reaching out to their friends and classmates with the Gospel and bringing them to church every Friday for their Youth Night Worship Service.

They also have their own Discipleship Training so they conduct Bible Studies during the fellowship and in their homes. They are also active in our Soul Winning & Tract Distribution Days and Children's Outreach Ministry.

We have 2 young people who surrendered their lives for full time ministry and they are studying in a Bible College.

We are thankful that the Lord is touching the hearts of our young people to serve and live for the Lord, putting God first in their lives, as they joyfully fellowship with one another, worshipping God, and reaching out to their friends and classmates for God's glory.

We have our Soul Winning & Tract Distribution as a church every Sunday from 4:00PM to 6:00PM (after their Men, Ladies, and Youth Fellowship from 2:30PM – 4:00PM) before heading back to the church for Evening Worship Service.

The fathers, mothers and young people gathered together to go from one community to the other to distribute tracts and share the blessed truth that ONLY JESUS SAVES. It blesses my heart to see our church parents serving the Lord by example, and our young people who are the future of this humble ministry to follow them, as they follow Christ.

We rejoice in the Lord that He continues to bless our Wednesday Prayer & Worship Service. Prayer is powerful because the God that answers prayers is all-powerful. We give all the praise and thanksgiving to the Lord for His goodness, grace and mercy.

Your friendship and partnership in this ministry truly means so much to us. Thank you so very much for all your love, prayers and faithful help to us. You all have a huge part in this ministry, and we thank the Lord for you all.

We always thank the Lord for you. You just don't know how a great blessing you are to us. Thank you so very much for your friendship and partnership in the ministry. We love you and praying for you all always.

With our love and prayers,

Brother Rodel Domingo
