We are very grateful to your regular donations and supports. We pray and anticipate that this another year of 2026 will be a great renewal of our partnership for the furtherance of the Gospel of our Lord Jesus Christ, church planting and training national in the Philippines. In line of our Goals, as the Lord provided us a two storey building, with two classrooms {serves as Sunday school rooms for youth and children}, one kitchen at the second floor, with one space good for two double deck beds for ladies and we are planning to construct multi purpose function hall at the back of the worship hall building and will put an extension of two rooms for boys cabin. Because of this we are praying some financial needs to accomplish this facilities. Pray also my youngest daughter who is presently studying in Bible Seminary. May the Lord bless missionary Baptist churches in USA to continue supporting missionaries. Pls. pray to get a US visa again in fact the US embassy now so strictly granting non immigrant visa for religious visit purpose.

Lastly again happy new year to one and all.
