## CORNERSTONE KIDS

Dear Brothers and Sisters in Christ,

Grace and peace to you from God our Father and the Lord Jesus Christ. We continue to witness His abundant faithfulness, and our hearts are filled with awe at how He moves in both the ordinary and extraordinary moments of ministry.

Thank you once again for your unwavering heart for missions. Your continued partnership, Pastor, and the support extended by your church are deeply treasured.

Allow me to share some updates from the month of June here in La Trinidad, Benguet, Philippines. Truly, God has been working in our midst, and we are blessed to be His instruments.

We're excited to share that our **very first Cornerstone Kids Fellowship** took place recently, and it was truly a blessing! Fifteen children came to join us, full of energy and excitement as they played, sang, listened to Bible stories, and learned more about Jesus. Seeing their eager hearts and smiling faces reminded us of how important it is to reach the next generation with the Word of God. We are praying that this ministry will continue to grow and that each child will develop a personal relationship with the Lord.

## LADIES FELLOWSHIP

Another milestone we're thankful for is our **First Ladies Fellowship**. Seven women came together to worship, study the Word, and encourage one another in faith. It was a beautiful time of sharing testimonies, prayer, and genuine fellowship. We believe that this is just the beginning of a growing community of women who will be strong pillars in their homes and the church. Please pray with us that more ladies will be reached and strengthened through this ministry.

Our **Sunday Worship Services** have also been a source of great joy. Week by week, we've been seeing God's hand at work as more people attend, listen, and grow in their faith. The fellowship is getting stronger, and we are witnessing lives being touched and changed by the Word of God. We continue to pray for consistent growth — not only in number but also in spiritual maturity — as we disciple and serve those whom God brings our way.

## SUNDAY SERVICE

Lastly, my partner and I are thrilled to share a personal blessing — we got married on September 25, 2025! This new season marks the beginning of our journey as husband and wife, serving the Lord together in unity and love. We are deeply grateful for how God brought us together and how He continues to guide our steps as we build both our marriage and the ministry. Please continue to pray that we will always keep Christ at the center of our relationship and that our union will be a testimony of His faithfulness.

As we continue serving the Lord and saw the responsibility over the work for the Lord. We are praying that our **Financial Support** every month will increase.

And as we continue to share the Good News in this place, we are really need your prayers as we walk with the Lord in every single part of our lives. Thank you so much once again, little by little, our goals and vision are becoming into reality. We will never stop sharing the word of God until we reach our goal and vision to reach all the people here in La Trinidad Benguet Philippines.
