Pastor Randy Santos
CFBC - Dinalupihan
Pastor

Dear Pastor/Friends,

Warm greetings in the most precious name of our Lord and Savior, Jesus Christ whose mercy never fails, whose grace sustains us, and whose love continues to move through every part of this ministry. I'm reaching out with a heart full of gratitude to my fellow pastors, brothers and sisters in Christ, and to all our dear supporters and partners who have stood with us in prayer, encouragement, and generosity. Your presence on this journey means more than words can express. Here in Dinalupihan, Bataan, we remain devoted to guiding, equipping, and walking alongside our fellow believers, helping them grow deeper in faith and stronger in their calling as servants of the Lord.

We are currently in the midst of an active mentoring program, reaching out to various communities with the goal of nurturing values, sharing knowledge with the word of God, and empowering individuals through faith and service in Christ. Since we started the mentoring and for almost a month, every week we conduct a mentoring and since then there's no Sunday that we're not having a visitors and get evangelized by the grace of God. The response has been overwhelming, and the need for mobility has grown alongside our efforts. Currently, our church is limited by the availability of transport, particularly tricycles, which serve as our primary means of reaching the nearby areas. We humbly report that we are in urgent need of two additional sidecars which are worth 500 dollars each to attach to our existing motorcycles. This will greatly enhance our capacity to transport mentors, materials, and support teams to the areas where we are most needed.

With deep appreciation, we thank you for the unwavering support you have shown in the past. Your generosity has been a source of strength and encouragement, and we continue to lift you up in prayer for your kindness and commitment to shared service. We're also asking for your continuous prayer support for us, especially in our mentoring, for the people to continue to be evangelized in the mighty power of our Lord Jesus Christ. As we move forward, we appeal once more to your compassionate hearts to consider helping us acquire these two sidecars. Your assistance will directly impact on the reach and effectiveness of our mentoring mission, allowing us to serve more communities with love, dignity, and care.

We promise to keep you informed about our future victories in the Lord's ministry so that your worship of God remains significant and overflowing. We will always be willing to be there for you, to share, preach, and spread the gospel of our Lord and Savior, Jesus Christ. Please know that you are in our thoughts and prayers, and we wish everyone blessings, strength, and joy in the Lord's presence. God bless everyone...
