January 9, 2025

Dear Pastor & Church,

Greetings in our Lord Jesus Christ's Name! Your friendship and partnership in the ministry has been a tremendous blessing as we serve the Lord!

Praying that you all had a Blessed Christmas and a Joyous New Year!

We are blessed to train our young people to stand in the pulpit and minister to the church. Praying that these young men will continue to serve the Lord and preach the message of God's love and redeeming work.

The Lord is good as He blesses the church's ministry in prayer. Because of God's empowering presence and grace, and sweet fellowship in prayer and the Word, He enables us to continue in the work for His glory and honor.

The church had our Christmas and Year End Worship Service. It was a joy to see and listen to the special numbers from all departments: Father's Choir, Mother's Choir, Youth Choir, and the Children's Choir! We also had our gift giving to all departments. Glory to God!

It was a joyous fellowship as we thank the Lord for His faithfulness to His work in the Philippines in 2025. Together we prayed for the Lord's direction and guidance for the new year. May the Lord bless His work for the furtherance of the Gospel for His glory.

The event was also blessed with our brethren following Christ in water baptism. We thank the Lord for His grace as He adds more to His church. You all had a great part in this victory! This coming Sunday, we will present them to the church and will give them Bibles to start on their Christian walk with the Lord.

The Lord is good as He continues to bless our Children's Outreach Program. Please continue to pray for us for more souls to be reached out, as we expand our areas of ministry, in schools, in their backyards and in the streets.

We thank the Lord for His mercies as He blesses our HOUSE TO HOUSE MINISTRY. We are also grateful for the response of our members t open up their houses for the Word of God and prayer for one another.

Here are some photos of our House to House Ministry. Please pray for the following:

1. For the Holy Spirit's empowerment
2. For more workers/teachers to be trained
3. To expand our coasts by reaching more homes for the cause of Christ

Since the church and the school is growing by the Lord's grace, we are praying to have additional rooms for our Christian School which serves as an education arm and outreach of the church. Which will mean that our electric consumption will continue to increase due to the additional A/C units. Our average electric bill ranges from \$250 - \$300 every month. But if we will invest on the Solar Power Energy System, we will have no more electric bills to pay, and the church funds will be added for our operational and outreach ministries.

Last December 28, we had our Thanksgiving & Cheerful Offering, as the church prays for a SOLAR POWER ENERGY SYSTEM IN THE CHURCH AND SCHOOL. The members including the children gave their best cheerfully and we were able to gather about \$1,000.

Please pray for us for the remaining \$6,500. Praying if there will be 13 churches or individuals who will partner with us with \$500, it will be a great blessing for us to be able to have it installed by the month of March or April.

By God's grace, our family is doing fine. My wife, Juvy, is serving the Lord as our Children's Department Superintendent, and our son, Daniel, serves as Youth Pastor, while he is on his 4th year as an architecture student.

We always thank the Lord for you. You just don't know how a great blessing you are to us. Thank you so very much for your friendship and partnership in the ministry. We love you and praying for you all always.

With our love and prayers,

Brother Rodel Domingo
