Dear Pastor & Church,

Greeting you in the name of our Lord Jesus Christ whom we serve through Gospel.

We praise and thank God for His work, He continues to watch over us. We just keep on doing what we have been doing and that is to reach souls for Christ, discipling the believers and taking care of His flock.

Our main church reopened our bible school this year, since we stopped during the pandemic, our students are from afar and went home to their places, but some of our students are now in the mission field. As of now, we have one full time bible student, 4 afternoon adult class and 7 young people during the night.

We are expecting more bible students coming from our missions, they are the ones who forwarded during our youth camp. Please pray that their desire to go in the bible college will not be gone.

We, the New Hope Pastors are working in our Camp sight whenever there is a small budget, slowly we are making a progress. We have put a huge land fill, put up a tie beam and the posts. As of now, my main job is to unite our pastors, overseeing the work of our outreaches and missions. I will speak in the missions, assist their work, support them in prayers and financially, even in a small amount I would like to be able to contribute in the mission field, your support to me not only for me but for the many pastors I am serving.

My son, Gaius is now the resident pastor in the main church and He is also needing financial help. The work here has expanded, we thought we will stop sending pastors because of the lack of budget to support them in the field, but the Lord's plan is for us to expand our horizon.

There are many projects needed to be done, but the resource is scarce. Thank you for your support to me, there are things I cannot do if God did not use you to help me in the ministry.

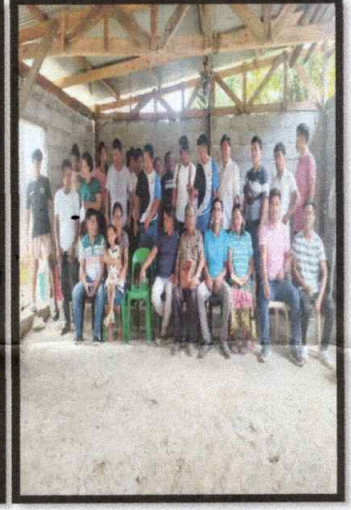

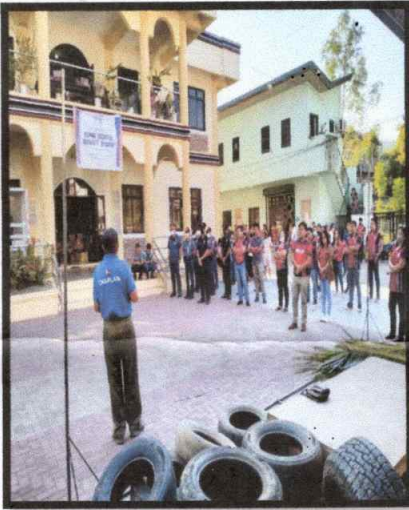

You have been a big factor of these churches and missions established here in the Philippines. The souls who were won here may not see you and meet you personally but I believe we are going to have a union in heaven.

Thank you for your unending love, prayers and support. God bless your church, God bless your pastor and the members. May God protect you, give you good health and bless you spiritually and materially.
