2 Corinthians 4:3-5

"But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them. For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake."

January - April 2026

Dear Brothers and Sisters in Christ,

A warm and loving greeting to you from our family and our church family here in Cambodia. It's amazing how quickly time passes just like that, the first quarter of 2026 has come and gone, and we now find ourselves stepping into the second quarter. Through it all, our Lord Jesus has been so gracious and faithful. Day by day, He has sustained us, guided us, and reminded us of His constant presence in both the little moments and the big ones.

Kampong Ous Village Ministry. We are truly grateful and overjoyed to be back serving in our outreach ministry. This village continues to remind us of both the beauty and the challenges of ministry, half of the year it is dry land, and the other half it becomes a floating village. Our burden has only grown deeper for the people here. We have been praying earnestly for God's direction and provision, that if it is His will, He would allow us to purchase a small piece of land where we could build a simple stilt church, and also provide a boat so we can faithfully reach this community with the Gospel all throughout the year.

It is with a heavy yet hopeful heart that I share about the elderly man in the lower right photo. He has since passed away. He collapsed in the river at 6am and was not found until 3pm. While his passing grieves us, we hold on to the precious comfort that he shared he had received the Lord Jesus while he was still alive. That truth brings us peace, knowing that our labor in the Lord is never in vain, and that even in loss, there is hope in Him.

Youth Ministry. We praise the Lord that more young people are desiring to be trained and used in the ministry, especially in song leading. Please pray that their passion will continue to grow, even as they face persecution, especially in their own homes. One of our song leaders is asking prayer for his father that he would come to believe in and receive Jesus, turn away from drinking and smoking, and not hinder him from attending church.

Our soul winning and visitation remain in full action, with a special focus on the parents of these young people. While many warmly welcome us into their homes, their hearts are still not open to the Gospel. Some even say their children may attend church, but once they see real transformation in their lives, they stop them. We trust the Lord to continue working, even in hearts that are not yet ready.

Hearbeat Conference. Brother Danny and I had the wonderful privilege of attending our conference this past March 19–30. It was especially meaningful for him, as it was his first time riding on a plane and visiting the Philippines. During our time there, we were blessed to travel to several provinces and visit different churches. We truly praise the Lord for His guidance and faithful provision throughout the entire trip.

Sports Day and Movie Night.

We thank the Lord for a joyful time during our annual sports day last April 8 and 15, it was not only a day of fun and fellowship, but also a wonderful opportunity to strengthen relationships. The young people eagerly requested a movie night, and we were able to have a special overnight at the church, which gave us more time for bonding, encouragement, and spiritual conversations.

We also encouraged them to begin praying for a youth camp, and it was a blessing to see their excitement and eagerness. Please join us in praying that the Lord will make a way for this, and that it will be a time of spiritual growth and deeper commitment for each of them.

Thank you so much for all your love, prayers and help. We are truly grateful for each and everyone of you. We always remember you all in our prayers. We love and appreciate you all.

GOD BLESS US ALL!

In Christ Jesus,

Brother Aaron Antonio and Family
