DEAR SUPPORTING AND PRAYING BRETHREN,

Greetings in the mighty name of our Lord and Savior!

We are grateful to the Lord for His continued faithfulness as we enter the Year of our Lord 2026. Below is a summary of the ministry updates, progress, and prayer needs from the mission work in Cavite, Philippines.

Church Property Update

By God's grace, we are continuing our monthly payments for the church property. We are currently working toward constructing a fence as of now we have spent **\$800** which includes removal of a Mango Tree at the front of the Entrance, and Materials to build a metal fence, temporary Gate (still on going) and for labour, as per the Engineer designing the property it would cost us Php **487,000.00 (\$8,543.86)** to build a fence made of concrete all over the property as a Firewall to against the neighbours as well and a gate to secure the premises.

CHURCH PROPERTY UPDATE

We will need a ceiling specially due to the extreme heat here in the Philippines, it is said that we are experiencing El Niño which averages to 105.8 °F . And to fix the electrical wirings in the house since it no longer works, repaint the place, and fix the bathroom. An estimate of **\$5,000.00** will be needed for the place to be fully renovated that we can use during this time of praying and saving for the Church building.

We trust the Lord to supply all financial needs in His perfect time.

CHILDREN'S MINISTRY

The children's ministry continues to grow, with an average weekly attendance of 80 to 100 children across multiple outreach areas. Faithful volunteer teachers are actively involved in teaching Bible lessons and guiding the children spiritually. We are also continuing our school assistance program to help selected students with transportation support.

Please do pray as we have our DVBS this coming May 29, 30, to June 1 before school starts. Praying we can give 100 children new bags and school supplies. This Bag is only **\$4** a piece while on sale, so we can already buy 100 bags for **\$400** then we can buy other school supplies to put inside the bag. While the items to place inside we would need **\$6** so for **\$600** we can already give 100 Children new Bags with complete school materials they'll need to start their schooling. We need at least **\$1,500** to prepare for the DVBS to include food and giveaways.

BIBLE STUDY FOR DRIVERS

The Lord has opened an opportunity to reach local drivers through a weekly Bible study every Wednesday from 12:30–1:15 PM. For the past 8 weeks, many have faithfully attended and are regularly hearing the gospel. We have distributed 10 John and Romans from the Ministry of Bible Truth Baptist Church. Please continue to pray for this growing outreach.

CHALLENGES IN THE MINISTRY

We continue to face needs in construction, transportation, and additional workers. Rising diesel costs (now \$8 per gallon), extreme heat due to El Niño, and social concerns such as early child pregnancy also affect the community. Yet we remain confident in God's provision and sustaining grace.

PRAYER REQUESTS:

We humbly request your prayers for:

- Financial provision for the church building and improvements
- Spiritual growth of church members and new converts
- Strength, wisdom, and good health for our family
- Additional laborers for the ministry
- Continued open doors for evangelism and soul-winning

We sincerely thank you for your faithful prayers and support. Your partnership in the ministry is a great encouragement to us.

Keeping on for Jesus,

Bro. Haniel and Sis Trisha Alvarez
