JANUARY-APRIL 2026 REPORT

Our Beloved Brethren in the Lord,

God's goodness and faithfulness ought to humble us and inspire us to keep going! If it weren't for His grace and mercy, we won't be given new years and new beginnings. What a faithful God we have!!!

We thank you our beloved ministry partners for your continuous love and support for our family and the ministry here in Candon City, Ilocos Sur, Philippines. You have stood by us for many years and we are forever grateful for that! May God bless you abundantly in return...

In celebration of the Bible month in **JANUARY**, we were able to give out Bibles to people from different walks of life by the grace of God. We thank Him for brethren He used to provide for these Bibles. Praying that God's precious Word will continue to touch and transform lives. Most of the recipients are fathers in our church who are new believers in Christ. It's also an effective way of sharing the gospel to the lost.

Another blessing upon starting the year is the salvation of 2 precious souls as a result of our weekly clustered prayer meeting. More souls heard the gospel of Jesus during a 60th birthday celebration of a sister in Christ in one cluster. We also thank and praise God for the continuous church ministries such as children ministries, weekly Bible studies and visitations. In addition, we held our very first church service at our outreach in Calongbuyan, Candon City. By God's grace, we had an attendance of 6 adults and 9 children who are from there and the adults were also given Bibles. To God be all the glory!!!

JANUARY MINISTRIES

In **FEBRUARY**, the Lord gave us more gospel opportunities. It's really amazing how God is working so we could reach more souls for Him. Our neighbor opened a business and we were asked to do the dedication. Another one was during an interview with a statistics officer when I applied for a license to solemnize weddings. I got to talk to him about Jesus and he gladly accepted Christ as his Savior! I gave him a Bible too. We were invited to another birthday and anniversary celebration in one of our clustered prayer meetings and I had the privilege of again sharing God's word and praying for the celebrants. Praise the Lord! One highlight of the month is my 40th birthday celebration. God is truly good and faithful! The celebration was done during our Church Love Banquet. We thank God for the sweet fellowship and for the love and support the members showed throughout the years. They surprised me with different gifts and I was really overwhelmed. I am forever grateful to God for His grace in my life. I thank Him that He's using me and sustaining me as well. Truly, we are nothing without Him!

CALONGBUYAN VILLAGE OUTREACH-2ND SERVICE.. Praise God for 7 adults and 12 children who attended!

In **MARCH**, we rejoice for the salvation of an old man who is a new attender of our church. He's been coming ever since. His name is Severino Valdez and is legally blind. Help us pray for his spiritual growth. Also, we had 2 baptisms in March 15, a young boy who is our 9 year old son, Exodus, and the other one a senior. Witnessing this amazing event, truly God is still in the business of saving people whatever age they may have! Pray for their spiritual growth too.

MARCH WEEKLY MINISTRIES

JOINT LADIES FELLOWSHIP in celebration of the Women's Month! This is to empower the women in the church so they can be more useful and effective in the Lord's work...

Our church attending the **HEARTBEAT 3rd National Conference** in Laoag, Ilocos Norte. What a blessing!!!

In APRIL, we had our Summer Youth Camp held at Camp Hope, Maguin. La Union. Despite the oil price hike during the time, 12 missions and churches were able to participate bringing a total of 120 plus campers. Most of the campers this year are first timers and we praise the Lord for the 4 days they were able to hear the gospel through preachings and group sessions. The camp's theme by the way is "Balanced Technology, a Tool not a Master"—a very appropriate topic not just for the youth but for everybody. Praise God for 40 souls saved and 1 decision to go to Bible School.

The Lord also allowed us to do our Jail Ministry again. I thank Him for co-laborers who accompany me in ministering to the people behind bars. We praise God for this opportunity to reach more souls for Him. Praying for God's continuous working in their hearts...

...continuously planting seeds of faith in the next generation...we shall reap if we faint not:)

Brothers and sisters in the Lord, we are forever grateful for your faithful partnership in the work of the Lord! God sees and God knows your generosity! May He continue to richly bless you!!!

Please pray for my wife and I. We have been going back and forth to the hospital since March for some health concerns. My wife has adenomyosis and she's had it for years. It's her prayer and desire to ease her monthly suffering by undergoing hysterectomy if the Lord wills. Please help us pray for God's wisdom to make the right decision—government hospital (she'll have to wait to be scheduled) or have a private doctor (she'll be scheduled right away but needs to prepare \$4,000). Either way, we pray for God's will to be done. About my health, my blood sugar is very high. The doctor said my kidneys are affected and he advised me to do insulin already. Please help me pray that I'll be able to manage my sugar by adjusting my lifestyle, by God's help, so I won't need to use insulin.

Other Prayer Requests:

- Spiritual growth of newly baptized members, more committed soul-winners and church workers
- Vacation Bible School next month & Redemption Store for our children ministry before school starts in June (God's provision-\$500)
- Camp Hope Flood control wall project (\$5000)
- Our 10th church anniversary in July or August
- More souls to be saved in our Village Outreach in Calongbuyan
- Mission work in Abra (Ptr. Sammy Mateo)-God's provision for church building needs and a place for his family to use anytime they will be asked to vacate the present mission house
- Personal heart's desires
