Dear Friend,

One of my favorite moments this year happened during our Vacation Bible School in Pantalan Luma and Kaparangan. As I looked across the crowd of children singing about Jesus, I couldn't help but think, "A few months ago, many of these children didn't even know us." That's how God often works. He opens one door at a time.

Seeds of the Gospel in Hermosa

In January, **we began outreach efforts in Hermosa just about 10 mins from Orani.** We knocked on doors, met families, and shared the Gospel. At the time, it felt like simple, ordinary ministry. Looking back now, we can see that God was preparing hearts for what was to come.

Reaching the Next Generation

From February to March, **we had opportunities to conduct a Campus Ministry to minister at Orani National High School,** sharing biblical truths with students and teachers who are navigating some of the most important years of their lives. With that many souls got saved. Praise the Lord!!!

A Basketball Fellowship with Eternal Impact

In March, **a Basketball Fellowship brought us into contact with six young people from Orion (one of our outreach).** What started as a game became an opportunity to share Christ, and all six trusted Him as Savior. Seeing God use something as simple as basketball to change lives was a powerful reminder that He can use any opportunity for His glory.

New Children's Ministries

In May, **the Lord allowed us to start children's ministries in Kaparangan and Pantalan Luma, Orani.** Week after week, **children gather to hear Bible lessons, sing songs, and learn about Jesus.** Their excitement to hear God's Word is a blessing and encouragement to us.

Vacation Bible School 2026: Extraordinary

The highlight of the season was Vacation Bible School on May 25-26. **Through three ministry centers in Hermosa and Orani, 248 children attended and heard the Gospel.** It was a joy to see children memorizing Scripture, singing praises, and learning about Christ.

As God continues to bless the ministry, **one of our greatest prayers is for a place where we can regularly gather these children, young people, and families for church services and discipleship.** **We believe** the Lord is building something special, and we are asking Him to provide a permanent meeting place for this growing work.

Thank you for praying, giving, and standing with us. Every conversation shared, every child reached, and every open door is a testimony of what God is doing through your partnership.

Please continue to pray:

- For the children who attended VBS.
- For the six young people from Orion who trusted Christ.
- For the growth of our new children's ministries.
- For God's provision of a place to gather for church services.
- For wisdom and strength as we continue reaching Bataan with the Gospel.

Thank you for being part of this journey with us. We Love You all!
