NEWSLETTER

January – March 2026

Warm greetings to all our beloved brethren, with our hearts full of gratitude, we extend our sincere appreciation to each one of you who continually supports the work of the Lord entrusted to us. Your unwavering faith, dedication, and generosity have been a great blessing—not only to the ministry but to all the lives being touched through it. Your commitment reflects a deep love for God and His purpose. Because of your support, the mission moves forward, hope is shared, and faith is strengthened in many hearts. May the Lord richly bless you, sustain you, and reward you abundantly for all that you do in His name. Let us continue to stand together in unity, serving Him with joy and steadfast devotion.

And I sent messengers unto them, saying, I am doing a great work, so that I cannot come down; why should the work cease, whilst I leave it, and come down to you?

Nehemiah 6:3

We are glad to share with you our New in our ministry.

Water Baptism

Two souls, namely Mariane Grace Gorio (our eldest daughter) and Kychelle Chin Ballocanag, surrendered their lives to God as they obeyed water baptism last January 18, 2026, held at Darapidap Beach. This is a beautiful testimony of their obedience and commitment to serve the Lord with their lives.

Let us continue to pray for them as they walk faithfully and grow in their relationship with God. We thank God for the gifts He has given them—especially Mariane, whom He has blessed with a talent in music. She is now serving Him as one of the young musician in our church.

To God be all the glory for the lives of these young ladies.

Approximately four new areas have been opened for Bible studies: Officers from the Bureau of Fire and Protection, Sister Krisha's family, Madam Eva's family and the DSWD 4P's staffs. We thank God for this quarter, as He has allowed us to minister and share His Word in these new areas. We give Him all the glory for these opportunities to reach more souls for Christ, and we pray that He will continue to work in the hearts of those who are attending these Bible studies.

We are encouraged by how God is moving in each place, touching lives and drawing people closer to Him. These gatherings have become avenues not only for studying the Bible but also for building relationships, strengthening faith, and supporting one another in their spiritual growth.

New Bible Studies

As the ministry continues, we humbly ask for prayers that God will sustain and expand these Bible studies.

Bible Distribution

In the month of January, National Bible’s Day was celebrated, during which Bibles were distributed—even the mayor of our town received one. We praise God for this meaningful event, as several members of our church and Bible study groups were blessed with their own copies of the Bible.

Moreover, we give thanks to God for the brethren whom He used to make this possible. May He continue to pour out His blessings upon their lives as they faithfully and generously serve in this ministry.

Our prayer is that the church members and Bible study participants who received these Bibles will experience true transformation in their lives through God’s Word.

Great Commission

We are so blessed for these precious souls that God entrusted to the Church. We are continually doing the mandate of Christ to the Church to proclaim the Gospel of Salvation. With every opportunity to share His Word, we plant seeds of hope, healing, and truth in the hearts of many.

With joy in our hearts, we are praying that more lives will be touched and transformed for His glory.
