Dear Pastor and Brethren in Christ,

A Blessed Day in the Name of our Lord and Savior Jesus Christ!

We are glad to send to you our updated report concerning our ministries in the Philippines. We are so blessed to share God's work as He opened new opportunities for a larger ministry in our mission field. Our soul-winning program continue to expand through sharing the gospel, visitation, bible studies and distribution of gospel tracts. We have now our **regular street preaching activities** in the market and vicinities in Bani and Bolinao. God also opened our **jail ministry every Tuesday** that started on May 26, 2026 with the bible study with the policemen in Bani.

Our soul-winning effort corresponds also with our regular ministries for young people and children. On April 2-4, 2026, we hosted the conduct of our **second Youth Camp for CY 2026**. More than **160 youth campers** with their Pastors participated in the said event. We are so blessed that more than **40 new youth campers** accepted the Lord Jesus Christ as their Saviour.

Our children's ministry keeps on moving as we reach out more children for Christ. Aside from our regular children's extension classes in different villages in Bani and Bolinao, we also conducted **Vacation Bible School with feeding program and distribution of free school supplies and slippers to more than 300 children** in the villages of Aporao, Tugui Grande and Masidem, Bani and in the villages of Patar and Arnedo, Bolinao from April 11-May 02, 2026.

We also strengthen our ministry for the adult through fellowship and team building. Last February, we conducted a **special date for our couples and widows**. We also attended a **Pastor and Pastor's Wives Conference in Ilocos Norte**.

On May 4, 2026, we celebrated our **7th Church Anniversary with our theme "Live Close, Walk Close and Stay Close to God"** attended by more than 250 participants from 8 churches in the Province of Pangasinan.

Last May 05, 2026, we also had our **two (2) new baptized believers**.

This year 2026, we **started to support eight (8) local pastors with new mission work**. We are praying for God's continuous provision as we take part to these new mission works in different towns of Pangasinan.

For our educational support program, we are **praying for our youngest son, Carlo Frianeza Jr. who planned to enrol at the Bible College this coming school year 2026-2027** and other **four (4) young people whom we supported in their schooling** to the different colleges and universities. They are also our church workers at present. We are **praying for Gods' continuous provision for our students**.

For our new mission work in Arnedo, Bolinao please continue to pray for us as we continue to bring the gospel to the people. We are also praying for the **approval of electrical installation in the area.**

This year, our dream of holding a Christian concert was finally come into reality. We thank the Lord for this opportunity to be revived and blessed with original songs of my eldest son and our friend from US Ma'am Christy Hoagland of Missouri. It's really a wonderful blessing to our souls.

We are also praying for the **continuous ministry in the village of Patar as a satellite Church of Arnedo, Bolinao.** Please include also these prayer requests:

1. Spiritual growth and maturity of every believers in our Church and in mission works
2. We are praying for more co-laborers in the ministry. We are still praying for sponsors of our college students.
3. Continuous family and ministry support to include good health, protection and wisdom

We thank God for the new opportunities He gave us. We are very grateful to God for our partnership for the advancement of our ministries in the Philippines. As we are always saying **THANK YOU VERY MUCH. WE ARE TRULY BLESSED WITH YOUR LOVE AND GENEROSITY.** May your love to the Filipino people filled your heart forever. Rest assured that we will continue to be faithful in the ministry that God has entrusted us. We pray that God will continue to bless our partnership for the furtherance of the Gospel and for the ministry to the saints in our country. God bless you more richly and abundantly.

With love and prayers,

**BRO. CARLO FRIANEZA & FAMILY
