Dear Pastor and Brethren in Christ,

A Blessed Day in the Name of our Lord and Saviour Jesus Christ!

I thank the Lord for the wonderful opportunity of visiting US once again. My visit to the brethren in various churches is an experience of overflowing joy and a privilege of sharing the ministry to the Philippines.

I am glad to inform you that I will be back to my family in the Philippines on November 24, 2025. I just want to express my sincerest gratitude for allowing me to come into your church and into your home and share my time, my testimony, my song and my message. Thank you for showing your brotherly love and care. I really appreciate your love and generosity. Thank you very much. Likewise, thank you for sharing your resources that I may be able to bring home our answered prayer.

Rest assured that as I go back to my homeland, my passion for the lost souls will continue to increase. Our soul winning program will intensify as we reach out to our mission work in Bolinao and in the villages of Bani. We will abide with our mission to share Christ to every one even in the far flung areas of our mission field.

Part of our mission is to train our people to become a good follower of Christ and be able to produce pastors and workers who will be sent to the mission field. Truly, the harvest is plenteous but the laborers are few. Help us pray as we train fishers of men, our co-laborers in the ministry.

Another mission is to upgrade our special programs as an avenue of reaching out people for Christ. As Paul said, *...to save some* but our vision is that **MORE PEOPLE WILL BE SAVED, OUR VISION OF ESTABLISHING 10 CHURCHES IN OUR MISSION FIELD.** We will start by establishing more mission work or churches, scholarship and education program, charity works, community service and livelihood program for the brethren. We are praying for God's wisdom for the series of planning workshops. This is a long-term program and needs a lot of prayer, time and effort. As Christ said, *I can do all things through Christ who will strengthen us.*

There's so much to do in the ministry, we cannot do this alone. We need partners like you who are willing to pray, support and send. We are praying that our strong partnership will continue and rest assured that we will keep our heart on Jesus and His ministry. **TOGETHER, WE WILL SATURATE THE PHILIPPINES WITH THE GOSPEL OF CHRIST. WE LOVE YOU ALL. GOD BLESS YOU MORE ABUNDANTLY.**
